

Good News for Course Coordinators

*Coming June 3, 2008 – The **New and Improved** PEPP Database*

You asked for it, and soon you will have it: a new and improved PEPP database. With the new database, you will be able to:

- Manage your courses and rosters from one easy-to-use screen
- Allow students to register online for courses themselves
- Edit, change, and delete course information
- Enter, edit, and delete student demographic information
- Offer CECEBMS credit

There will be no more paper rosters to manage and data to enter online. The new PEPP database will take some of the bulky administrative duties off your plate. More information, details, and instructions will be available soon!

Starting on **Tuesday, May 27th and going through June 2nd**, PEPPsite.com will be unavailable. On June 3rd you will be able to access PEPPsite.com and the new PEPP database.

If you have any questions, please feel free to contact the PEPP office at 800/433-9016 ext 4795.
